School Policies

- All tuition payments must be made via your PCB Online Portal Account. You can access the portal via the "Portal Login" section of the website.
- We recommend all families to enable auto-pay for tuition payments. All payments are due by the end of the pay period, listed in the TUITION SCHEDULE below. Please mark your calendar. A late fee of \$5.00 applies to all late payments.
- NO REFUNDS OR CREDITS FOR MISSED CLASSES, unless in case of injury. Missed classes can only be made up WITHIN the same pay period. If you cannot attend another session of the missed class, you may choose a different class offering that fits your schedule.
- Important information about performances, registration, and more is sent via **email**. Please ensure your PCB Online Portal is updated to reflect your accurate email address and phone number. Dancers' email addresses may be added as well.
- Parents and students will be notified well in advance about performance dates, tickets, costume requirements, etc. To present shows in a professional manner and to keep costs affordable, parent participation through time or funds help make your child's experience a positive one.
